

A-EFL02350/A-EFL02375 Habu SS (Super Sport) 50mm EDF Jet BNF Basic/PNP

The E-flite Habu SS 50mm EDF is an affordable and convenient high-performance EDF sport jet that's perfect for low-time RC pilots making their "next step" into jet flying – and it's one of the best everyday EDF models for more experienced pilots, too! The power system is compatible with extremely common and popular 3S 1300–2200mAh batteries and features a Spektrum Avian 30-amp Smart Lite ESC. The BNF Basic version also includes an AR631 receiver that delivers real-time telemetry data along with the benefits of exclusive AS3X and SAFE Select technologies — making it an ideal "next step" for anyone who has learned to fly successfully with a trainer.

FEATURES

- A scaled down version of the popular Habu STS and SS 70mm EDFs that's more affordable and convenient for more pilots to fly in more places
- Based on one of the best first and high-performance EDF sport jet platforms ever designed — the Habu
- Unique airframe design delivers incredible low-speed handling and slow speed performance that makes it one of the easiest to fly jets EVER
- Specially tuned brushless motor and 50mm 12-blade fan compatible with extremely common 3S batteries
- Popular and affordable 3S 1300–2200mAh batteries deliver excellent performance and flight times
- 30-amp Spektrum Avian Smart Lite ESC provides real-time battery voltage, current, RPM and other data via compatible receivers and transmitters
- 4-channel control including a functional rudder and 4 factory-installed servos for full aerobatic capability
- Includes optional-use fixed landing gear with a steerable nosewheel for improved ground handling
- Easy to hand launch and belly land without the landing gear installed
- Lightweight yet durable composite-reinforced EPO construction
- Factory-finished in a high-visibility trim scheme
- Fast and easy assembly – no glue required

NEEDED TO COMPLETE

- **BNF Basic** - Full-range 4-5+ channel Spektrum DSMX transmitter
- **PNP** - Full-range 5+ channel transmitter and receiver
- 3S 11.1V 1300–2200mAh LiPo
- Compatible LiPo charger

IN THE BOX

- (1) E-flite Habu SS 50mm EDF with:
- (1) AR631 6-Channel Receiver*
- (1) Spektrum Avian 30A Smart Lite ESC
- (1) Brushless Outrunner Motors
- (4) Servos
- (1) Product Manual
